Invoices:

As part of our Joint record management system with the Washington PD, Washington County Communications, and the Washington County Sheriff's Office it was time to replace our outdated RMS data storage server. We had replaced the application server earlier in 2021 and now have completed the update of the entire system by updating the data storage portion.

Included are 4 invoices from CDW-G. Half of each invoice is the cost of a server for Jailtracker. The Sheriff's Office pays this, and it is \$14,467.00

The remaining half of each invoice is for the server used to hold and preserve data for TAC10. With the completion of replacing this data server, TAC10 should be good to go for 3-5 years.

The half remaining should be split in a 1/3 for payment between the Sheriff's Office, County Communications and Washington PD. This is the same as the APP server replaced early 2021.

Each entity would owe as follows:

| | |
|-----------------|-----------------|
| Invoice N869516 | \$4,055.11 each |
| Invoice N079795 | \$568.07 each |
| Invoice P369163 | \$34.07 each |
| Invoice Q237703 | \$170.09 each |

Cost of the TAC10 data server is \$14,467.00

| | |
|----------------------------|------------------|
| Sheriff's Office pays | \$4822.34 |
| County Communications pays | \$4822.33 |
| Washington PD pays | <u>\$4822.33</u> |

Checks can be sent with attached invoices directly to CDW-G.
